1. Unique clients should not be summed across service types or categories as some clients may have an unmet need recorded for more than one service type and/or category.						
2. 'Services Provided' are those provided under the National Disability Agreement (NDA), excluding employment services for the period 2010–11 (latest available data) from the Disability Services National Minimum Data Set (NMDS). 2011-12 data will not be available until March 2013.						
3. Clients with an unmet need may also have received a service in 2010–11 or be currently receiving a service, eg if a client is on waiting list for supported accommodation, they may be currently receiving a package of support to best support them in their current circumstance.
