Disability SA Update: **Corrections to 2013/14 Rate Offers – Individual Support Program**

Last week, the Department issued a letter to all providers delivering services under the Individual Support Program (formerly 'Brokerage'), which contained our offer to increase your rates for the 2013/14 financial year.

We have identified that there was an error in some calculations for increases, and the public holiday rates for 2013/14. We sincerely apologise for this error.

A revised letter will be issued as soon as possible. This revised letter will clearly indicate that this supersedes the letter previously sent, and should be used by your organisation when considering whether the proposed rates are acceptable going forward.

Again, please accept our apologies for this error.

On a separate matter, I would advise that Lalitha Maheswaran has left the Department to take up another position in Government. Whilst we go through the process of filling the vacancy left, John Konieczny will be acting as the Team Leader, Brokerage Unit.

Should you have any queries in regard to the above, please contact **Ian Dillon, Manager Funding & Business Improvement, on (08) 8415 4122, or via email at ian.dillon@dfc.sa.gov.au**

Kind Regards

Ian Dillon
